STARS TO PLAY METHODISTS IN CHURCH LEAGUE

Many Games Staged in County Over Week-End—Glassies Win Two Games.

At 6 o'clock this evening on the East Side diamond, the Bunker's Stars will clash with the fast Diamond Street M. E. team. This is the only game scheduled for this afternoon and a large crowd is expected to witness the contest. The Bunker's team is leading the league and the Diamond streeters are in third place. Both teams have strengthened their line up for tonight's battle and a hard fought game is assured.

Fairmont A. C. Losses. In a game played on the Bunker's Ridge diamond yesterday afternoon, the Fairmont Athletic Club ball team suffered a defeat at the hands of the fast Bunker's Ridge team by a 4 to 2 score. Betty, who did the pitching for the Bunker team, struck out eleven batters and allowed but six scattered hits. The big feature of the game was the heavy hitting done by the winning team.

Glassies Win Two. The Monongah Glass baseball team won two straight games over the week-end. On Saturday afternoon at the South Side field, the Giants were defeated by a 4 to 2 score. The game was considered to be the most interesting one played on the local diamond for some time. Brown, who covered second base for the Glassies, pounded out three safe hits out of four times at the plate. R. Long pitched a good game for the Glass outfit. He allowed but eight scattered hits and didn't give one base on balls during the contest.

Chuck, Trader pitched his team to victory at Fairview Sunday. The crack Monongah twirler, struck out eight hitters and allowed but five hits in the entire game. Fairview played a loose fielding game and the Glassies annexed another victory by a 9 to 1 count. Brown and Trader for Monongah and Haught and Fairview were the hitting stars of the contest.

To Play Wednesday. The Fairmont game booked for South Side Park has been changed from tonight until Wednesday at 5:30. These late arrangements were made by Managers Grimes and Bostic of the two local teams.

The battle Wednesday should prove a real drawing card as both teams have been playing good ball lately and will no doubt give a good account of themselves Wednesday. While the colored boys are picked to win the battle, Manager Phil Grimes of the Independents says that he will surprise Dee and his followers. Grimes has in Jacobs, Skidmore and Charley Long three of the best pitchers in this section. Jacobs held the Giants to seven hits in a game played at Tracton Park a week ago.

Game Goes 10 Innings. Sunday afternoon the South Side Independents lost a hard fought contest to the Lumberport nine in a game staged at the Copey diamond. The final score being 4-3, the battle going ten innings. From start to finish the game was full of "pep" and many sparkling plays were pulled by both teams. Skidmore, a new pitcher was on the mound for the local team, while "Lefty" Griffin pitched for the Lumberport outfit. The locals failed to hit when hits meant runs while the Lumberport lads came through when they were needed.

In the last of the tenth, Lindsey was safe at second when Belt made a bad throw after getting his hard roller, Conaway singled to left field. P. Abbott milled the ball and Lindsey scored. The play at home was close.

The holding of Belt was the big feature of the contest. The lineup and summary follows:

Giants Win. The Fairmont Giants defeated the Ida May team by a 2-0 score in a fast game played at Tracton Park yesterday. The game resulted in a pitchers' battle between Williams and Ash, with

neither having the advantage. The Giants made both of their counts in the first inning on two hits and an error. Both teams settled down after that and played all right ball.

Morgan Mine Loses. In a fast game played at Riverside Saturday afternoon, the Fairmont Athletic Club walloped the Morgan Mine A. C. in a 6-0 game. Stuckey, who was on the mound for the local team, allowed but seven hits and struck out seven of the opposing batters in the course of the game. The big feature of the game was the brilliant fielding of the local team.

Speedsters Win. In a Sunday morning contest, the Penn Avenue Stars were defeated by the Mountain City Speedsters in a 3-2 game. Burgess, who was behind the plate for the Speedsters, played a brilliant game. Both pitchers were a little wild at the start but developed control before the game had progressed very far. These two teams will meet next Sunday at the old fairgrounds.

It was officially announced here last night that the West Virginia Wesleyan football game will be played in Fairmont on September 30.

EXPECT MUCH FROM PINKNEY THIS FALL

MORGANTOWN, July 31.—One of the "big fellows" who failed to come through last fall because he lacked experience but from a great deal is expected this year is Dixon Pinkney, a young giant from Beckley. When he reported to Dr. Spears at Deer Park last fall Pinkney knew little or nothing about the gridiron game, having had but one year's experience on the Beckley High School eleven, which was organized when he was a senior there. All he had to offer when he came here was size, but he had plenty of that and Coach Spears prays to develop him. It was a slow process and at times the task was apparently hopeless. Pinkney, however, was a willing worker and after being knocked around all during the greater part of the season he began to do a little knocking on his own account. There are several Varsity linemen who will testify to this.

It took Pinkney a long while to develop any fighting qualities of any kind but once he got started he proved to be a young whirlwind. He gave the Varsity tackles and ends plenty to worry about in practice scrimmages and tore big holes in the enemy's line in freshmen games. Many think that he developed these qualities a little too far because near the end of the season he was thrown out of two freshmen games for roughness.

He weighs slightly more than 200 pounds and in the opinion of Dr. Spears is destined to become one of the best linemen West Virginia has ever had. He is a grandson of Sam Dixon, famous southern West Virginia coal circles and his father, Harry Pinkney is a Raleigh county operator and himself a former West Virginia man.

Her partner in the mixed doubles was C. Miller.

Miss Towson is the charming daughter of Rev. and Mrs. E. S. Towson of Benoni avenue. She has gained quite a reputation as a tennis player. Miss Towson won several matches at Columbia University last year, and has the distinction of defeating some of the best men players in this section.

DR. EALY CONFIDENT.

MOUNDSVILLE, July 31.—Predictions that he will carry four of the seven counties of the first district and win the Republican nomination for Congress was made today by Dr. D. B. Ealy upon the close of his campaign.

Repeals from all sections of the district that he will carry four of the seven counties, while in the other three will receive a very large vote and may be able to carry them," Dr. Ealy said.

"I do not claim an overwhelming victory," Dr. Ealy stated, "for I believe the race will be fairly close. If 36,000 votes are cast in the district, as I estimate, I will receive about 14,000 of them, while the others will be nearly equally divided between my two opponents. Whatever the vote should be, I am convinced that the ratio will be the same."

CUP SERIES

SEABRIGHT, N. J., July 31.—Members of the Davis cup teams of Australia, France and the United States were distributed evenly in the draw for the invitation tournament opening here today.

TEXTILE STRIKE STILL CONTINUES

BOSTON, July 31.—The textile strike in Lawrence in its nineteenth week today, appears to have settled into a grim test of endurance. Mill owners and operatives alike have announced that they would maintain their ground to the bitter end. Neither side appears to show signs of weakening.

The numbers of workers idle in Lawrence because of the strike, and the closing of the Arlington Mills is estimated at 18,000. The long period of idleness is having its effect on business. Stores are feeling the pinch and relief organizations find calls for assistance increasing.

NEW REGIME
SMYRNA, July 30.—A proclamation announcing the establishment of a regime of self government for the regions in Asia-Minor occupied by the Greeks was issued today by M. Steriadiis, Greek high commissioner. The proclamation states that the new regime is in conformity with the principles recognized by the entente allies during the world war and decrees a Greek protectorate over the specified territories. The populations of the occupied regions regardless of their racial or religious affiliations are invited to participate in the administration of the country by the creation local councils.

ARRESTED FOR LOITERING
Water street seems to be looking out as a revenue producing center for the city. Sterling Heights has recently come to the front and has been the scene of many raids which have brought the city a considerable sum of money in each instance.

On Saturday night Policemen Digman and Porter made a raid at Sterling Heights and arrested a couple on a charge of loitering. Fortiforts of \$20 were collected from each.

EXPLAINS STATEMENT
In my statement which appeared in the West Virginian of Friday in which comparison is made of the per capita cost of high schools there was no intention to cast reflection upon the management of the West Monongah high school. A large part of the money went into equipment of the new building. But it was charged to the high school maintenance fund and included in the cost of maintenance. I make this statement in justice to the management of that school.
